

QUALITY POLICY STATEMENT

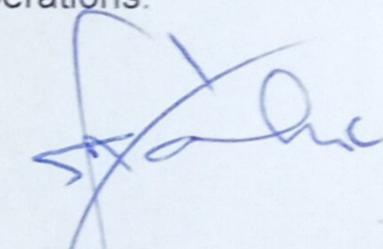

Anglia International Services Limited (AISL) is a Nigerian inspection and quality-assurance company committed to protecting trade revenue, public safety and brand integrity across multiple sectors. In line with our Vision "to be the most trusted Quality Assurance and Inspection Company" and Mission "to constantly provide quality service delivery and exceed customers' expectation.

We pledge to:

1. **Serve interested parties** – understand and meet the requirements of customers, government agencies, regulators, stakeholders, suppliers and the communities in which we operate through impartial, timely and dependable testing, inspection and certification services.
2. **Comply & assure** – fulfil all applicable statutory, regulatory and contractual obligations governing international trade, product safety and revenue protection.
3. **Set & review objectives** – provide a framework for establishing measurable quality objectives that align with AISL's strategic direction and drive risk-based thinking, process efficiency and service excellence.
4. **Empower our people** – develop and equip competent personnel, foster teamwork and innovation, and supply the resources needed to deliver accurate, value-adding results first time, every time.
5. **Continually improve** – maintain and enhance an ISO 9001:2015-conformant Quality Management System, using data, internal audits and stakeholder feedback to elevate performance and customer satisfaction.
6. **Communicate & uphold** – ensure this policy is available to all employees and relevant interested parties, is understood, and is reviewed periodically for continued suitability and alignment with our Vision, Mission and Values.

This policy underpins our commitment to satisfy requirements, enhance stakeholder confidence and drive continual improvement across all AISL operations.
